

# HUMMEL<sup>®</sup> CrossCountry

The HUMMEL<sup>®</sup> CC is quick to fit, easy to handle and **protects your machine** from dirt, vibrations and damage **during transport**.

**The essential accessory for every HUMMEL<sup>®</sup> owner!**

## HUMMEL® CrossCountry

### The transport aid for all challenges!

The new **HUMMEL® CC** makes travelling to the construction site easier than ever before! Thanks to the robust pneumatic tyres and the sophisticated design, you can transport your HUMMEL® safely and effortlessly – even on uneven terrain such as cobblestones, gravel, grass or small obstacles such as kerbs.

### Advantages

- ✓ **Flexible use:** Ideal for almost all surfaces – indoors and outdoors
- ✓ **Quick assembly:** Ready for use in just a few steps
- ✓ **Easy on the body:** effortless transport, less physical strain
- ✓ **Protection of the machine:** Against dirt, damage and vibrations
- ✓ **Robust:** High-quality materials for a long service life
